Re: MUR 5637

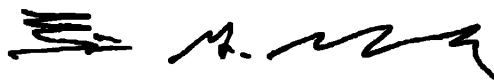

Dear Mr. Jordan:

My firm is counsel to 21st Century Democrats ("the Committee"). A Designation of Counsel to that effect is forthcoming. I write to seek an extension of time in which to respond to the complaint in the above-referenced MUR.

The Committee requires additional time to develop the information that would permit it to respond effectively to the complaint. Accordingly, the Committee respectfully requests that it be permitted to respond on or before February 24, 2005.

Please advise me as soon as possible regarding the requested extension. Thank you for your attention to this matter.

Very truly yours,

Brian G. Svoboda
Counsel to the Committee
